Student

Medication...

All student medications **must be picked up by a parent at school, Wednesday, June 16th.** Medications cannot be sent home with a student, and medications cannot be sent in the mail or to another school building. We cannot store medications over the summer. **All remaining medications left at school will be disposed of in accordance to our District policy on Friday, June 18th.**

It is hard to believe this school year is fast coming to a close. As I reflect on all that has happened this year, I am truly amazed at our accomplishments. These accomplishments would not have been possible without the caring, dedicated hard work of both staff and community members who all share a common goal, provide students with the best possible education.

We say goodbye this week to our sixth graders and their families. Each of them will be missed and leave behind many cherished memories. In addition, we also say goodbye to five staff members, Cathy Nordyke, Cathy Ward, Linda Gaultney, William Careadio and Judy Ferrari, who are retiring after collective providing Pleasant Hill School District with over 130 years of service working with both students and families. We wish each of them the best in their new adventures.
