February 2010

February is Reading Month at PHES!!!!

Volume 1, Issue 6

February 5, 2010

The month of February is reading month at our school. Since this coincides with the Winter Olympics, we are *Reading for the Gold!* The Pleasant Hill Elementary Organization is sponsoring this month long event. We are providing tally sheets for students to keep track of their reading, which the classroom parents help count up each week and the kids earn stars to place on their gold medals in their classrooms. There is a classroom challenge that is awarded to each classroom that reads the required amount of minutes they receive an ice cream party. There is also a Book Fair that is a fundraiser for the library. This month has so many opportunities for you to help out. We could certainly use all the help we can get too! Please call me if you can help out at all. We have projects both at home and at school that can be helpful.

For Your Information

Albertson's is discontinuing their Community Partners program that gives PHES money back when you spend money at their stores. This is a huge loss to our school. Those funds were used to provide extra support funds for students that didn't always have supplies or funds to go on field trips and other things. Because of their actions we are offering to help people sign up for Escrip at the science fair in March. Escrip is sponsored by Safeway as well as market of Choice and many other stores. Thank you in advance for your support of this program.
